    - Support and make provision for pupils with special educational needs and disabilities
    - Provide pupils with SEND access to all aspects of school life so they can engage in the activities of the school alongside pupils who do not have SEND

    - Help pupils with SEND become confident individuals living fulfilling lives
    - Communicate with pupils with SEND and their parents or carers and involve them in discussions and decisions about support and provision for the pupil
- Explain the roles and responsibilities of everyone involved in providing for pupils with SEND
- Communicate with, and involve, pupils with SEND and their parents or carers in discussions and decisions about support and provision for the pupil
- Make sure the SEND policy is understood and implemented consistently by all staff

2. Vision and values

St Leonard's is a school where pupils, staff, governors, parents and the school community work incredibly hard and have high expectations of each other. Children's social and spiritual development are nurtured by the caring relationships experienced throughout the school community. We are passionate about promoting and safeguarding the welfare of all of our children and are committed to providing a happy, safe and welcoming atmosphere in which we can nurture the achievements of every child.

Firm Foundations. Rooted in love.

Rooted in love, we grow and learn together; supported by our firm foundations. We nurture and respect the individuals within our community, so that all can flourish and succeed, with aspirational hope.

3. Legislation and guidance

This is based on the statutory guidance Special Educational Needs and Disability (SEND) Code of Practice, Keeping Children Safe in Education and working together to improve school attendance. This policy is also based on the following legislation:

- Part 3 of the Children and Families Act 2014, which sets out schools' responsibilities for pupils with SEND
- The Special Educational Needs and Disability Regulations 2014, which set out local authorities' and schools' responsibilities for education, health and care (EHC) plans, SEN co-ordinators (SENCOs) and the special educational needs (SEN) information report
- The Equality Act 2010 (section 20), which sets out the school's duties to make reasonable adjustments for pupils with disabilities

The Diocese of Chelmsford Vine Schools Trust is a company limited by guarantee. Registered in England No 8709542. Registered Office 53, New Street Chelmsford CM1 1AT

- The Public Sector Equality Duty (section 149 of the Equality Act 2010), which set out the school's responsibilities to eliminate discrimination, harassment and victimisation; and advance equality of opportunity and foster good relations between people who share a protected characteristic (which includes having a disability) and those who don't share it
- The governance guide for academy trusts which sets out trustees' responsibilities for pupils with SEND
- The School Admissions Code, which sets out the school's obligation to admit all pupils whose education, health and care (EHC) plan names the school, and its duty not to disadvantage unfairly children with a disability or with special educational needs

This policy also complies with our funding agreement and articles of association.

4. Inclusion and equal opportunities

At our school we strive to create an inclusive teaching environment that offers all pupils, no matter their needs and abilities, a broad, balanced and challenging curriculum. We are committed to offering all pupils the chance to thrive and fulfil their aspirations.

We will achieve this by making reasonable adjustments to teaching, the curriculum and the school environment to make sure that pupils with SEND are included in all aspects of school life.

5. Definitions

5.1 Special educational needs

A pupil has SEN if they have a learning difficulty or disability that requires special educational provision to be made for them.

They have a **learning difficulty or disability** if they have:

- A significantly greater difficulty in learning than most others of the same age, or
- A disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools

Special educational provision is educational or training provision that is additional to, or different from, that made generally for other children or young people of the same age by mainstream schools.

5.2 Disability

Pupils are considered to have a **disability** if they have a physical or mental impairment that has a substantial and long-term adverse effect on their ability to do normal daily activities.

The school will make reasonable adjustments for pupils with disabilities, so that they are not at a substantial disadvantage compared with their peers.

5.3 The 4 areas of need

The needs of pupils with SEND are grouped into 4 broad areas. Pupils can have needs that cut across more than 1 area, and their needs may change over time.

Interventions will be selected that are appropriate for the pupil's particular area(s) of need, at the relevant time.

6. Roles and responsibilities

AREA OF NEED	
Communication and interaction	Pupils with needs in this area have difficulty communicating with others. They may have difficulty understanding what is being said to them, have trouble expressing themselves, or not understand or use the social rules of communication. Pupils who are on the autism spectrum often have needs that fall in this category.
Cognition and learning	Pupils with learning difficulties usually learn at a slower pace than their peers. A wide range of needs are grouped in this area, including: • Specific learning difficulties, which impact 1 or more specific aspects of learning, such as: dyslexia, dyscalculia and dyspraxia • Moderate learning difficulties • Severe learning difficulties • Profound and multiple learning difficulties, which is where pupils are likely to have severe and complex learning difficulties as well as a physical disability or sensory impairment
Social, emotional and mental health	These needs may reflect a wide range of underlying difficulties or disorders. Pupils may have: • Mental health difficulties such as anxiety, depression or an eating disorder • Attention deficit disorder, attention deficit hyperactive disorder or attachment disorder • Suffered adverse childhood experiences These needs can manifest in many ways, for example as challenging, disruptive or disturbing behaviour, or by the pupil becoming withdrawn or isolated.
Sensory and/or physical	Pupils with these needs have a disability that hinders them from accessing the educational facilities generally provided. Pupils may have: • A sensory impairment such as vision impairment, hearing impairment or multi-sensory impairment • A physical impairment These pupils may need ongoing additional support and equipment to access all the opportunities available to their peers.

6.6 Parents or carers

Parents or carers should inform the school if they have any concerns about their child's progress or development.

The Diocese of Chelmsford Vine Schools Trust is a company limited by guarantee. Registered in England No 8709542. Registered Office 53, New Street Chelmsford CM1 1AT

Parents or carers of a pupil on the SEND register will always be given the opportunity to provide information and express their views about the pupil's SEND and the support provided. They will be invited to participate in discussions and decisions about this support. They will be:

- Invited to termly meetings to review the provision that is in place for their child
- Asked to provide information about the impact of SEN support outside school and any changes in the pupil's needs
- Given the opportunity to share their concerns and, with school staff, agree their aspirations for the pupil
- Given an annual report on their child's progress

The school will take into account the views of the parents or carers in any decisions made about the pupil.

6.7 The pupil

Pupils will always be given the opportunity to provide information and express their views about their SEND and the support provided. They will be invited to participate in discussions and decisions about this support. This might involve the pupil:

- Explaining what their strengths and difficulties are
- Contributing to setting targets or outcomes
- Attending review meetings
- Giving feedback on the effectiveness of interventions

The pupil's views will be taken into account in making decisions that affect them, whenever possible.

7. SEN information report

The school publishes a SEN information report on its website, which sets out how this policy is implemented in the school.

The information report will be updated annually and as soon as possible after any changes to the information it contains.

8. Our approach to SEND support

8.1 Identifying pupils with SEND and assessing their needs

Class teachers monitor all of the pupils in their class and track their progress carefully. If a pupil is not progressing at the expected rate for their age or starting point, the class teacher will seek advice from the SENCo. Support will be adapted to enable the child to get back on track with their learning.

If, despite support being adapted, a child continues to need provision which is additional to or different from that which is available for all children of the same age, it may be decided that the child has SEND in one or more areas and is added to the SEND register at a level of SEN Support. These areas are: communication and interaction; cognition and learning; social, emotional and mental health difficulties; sensory and/or physical needs.

When on the SEND register the child alongside their supporting adults at home and school will take part in the One Planning process, where it is hoped that progress is made. Parent/carers are kept

The Diocese of Chelmsford Vine Schools Trust is a company limited by guarantee. Registered in England No 8709542. Registered Office 53, New Street Chelmsford CM1 1AT

fully informed about how their child is progressing in school through the One Planning process and their expert knowledge of their child is sought and valued when planning next steps.

8.2 Consulting and involving pupils and parents/carers

We work hard to include parents in their child's education. We firmly believe that home and school should work together in partnership. Additionally to the parent meetings for all parents there are also three One Plan meetings throughout the school year where all supporting parties for the pupil meet to review and set specific targets that will work towards a long term goal supporting their special educational need.

8.3 The graduated approach to SEN support

Once a pupil has been identified as having SEN, we will take action to remove any barriers to learning, and put effective special educational provision in place. This support will be delivered through successive rounds of a 4-part cycle known as the graduated approach.

1. **Assess**

The pupil's class teacher and the SENCO will carry out a clear analysis of the pupil's needs. The views of the pupil and their parents/carers will be taken into account. The school may also seek advice from external support services.

The assessment will be reviewed regularly to help make sure that the support in place is matched to the pupil's need. For many pupils, the most reliable way to identify needs is to observe the way they respond to an intervention.

2. **Plan**

In consultation with the parents/carers and the pupil, the teacher and the SENCO will decide which adjustments, interventions and support will be put into place, the expected outcomes, and a clear date for review.

All staff who work with the pupil will be made aware of the pupil's needs, the outcomes sought, the support provided and any teaching strategies or approaches that are needed. This information will be recorded on our management information system, Arbor and detailed in the child's One Plan.

Parents/carers will be fully aware of the planned support and interventions, and may be asked to reinforce or contribute to progress at home.

3. **Do**

The pupil's class or subject teacher retains overall responsibility for their progress.

Where the plan involves group or 1-to-1 teaching away from the main class or subject teacher, they still retain responsibility for the pupil. They will work closely with any teaching assistants or specialist staff involved, to plan and assess the impact of support and interventions and how they can be linked to classroom teaching**.**

The SENCO will support the teacher in further assessing the pupil's particular strengths and weaknesses, in problem solving and advising on how to implement support effectively.

4. **Review**

The effectiveness of the support and interventions and their impact on the pupil's progress will be reviewed in line with the agreed date.

The Diocese of Chelmsford Vine Schools Trust is a company limited by guarantee. Registered in England No 8709542. Registered Office 53, New Street Chelmsford CM1 1AT

We will evaluate the impact and quality of the support and interventions. This evaluation will be based on:

- The views of the parents/carers and pupils
- The level of progress the pupil has made towards their outcomes
- The views of teaching staff who work with the pupil

The teacher and the SENCO will revise the outcomes and support in light of the pupil's progress and development, and in consultation with the pupil and their parents/carers.

8.4 Levels of support

School-based SEN provision

Pupils receiving SEN provision will be placed on the school's SEND register. These pupils have needs that can be met by the school through the graduated approach. Where the pupil's needs cannot be adequately met with in-house expertise, staff will consider involving an external specialist as soon as possible.

The provision for these pupils is funded through the school's notional SEND budget.

On the census these pupils will be marked with the code K.

Education, health and care (EHC) plan

Pupils who need more support than is available through the school's school-based SEN provision may be entitled to an EHC plan. The plan is a legal document that describes the needs of the pupil, the provision that will be put in place, and the outcomes sought.

The provision for these pupils will be funded from the school's notional SEND budget, and potentially from the LA (from the high-level needs funding block of the dedicated schools grant).

On the census these pupils will be marked with the code E.

8.5 Evaluating the effectiveness of SEN provision

We evaluate the effectiveness of provision for pupils with SEN by:

- Tracking pupils' progress, including by using provision maps
- Carrying out the review stage of the graduated approach in every cycle of SEN support
- Using pupil voice
- Monitoring by the SENCO
- Holding annual reviews for pupils with EHC plans
- Getting feedback from the pupil and their parents/carers

9. Attendance

Many pupils with SEND face complex barriers to attendance. Their right to an education is the same as any other pupil and therefore the attendance ambition for these pupils is the same as it is for any other pupil. However, they may need additional support.

The Diocese of Chelmsford Vine Schools Trust is a company limited by guarantee. Registered in England No 8709542. Registered Office 53, New Street Chelmsford CM1 1AT

Our approach to supporting pupils who are absent from school due to their SEND is set out in our attendance policy.

10. Safeguarding

We recognise that pupils with SEND can face additional safeguarding challenges. Children with disabilities are more likely to be abused than their peers, and additional barriers can exist when recognising abuse, exploitation and neglect in this group.

For more details of the pastoral support we offer pupils with SEND, and the support we provide to help pupils overcome any communication barriers they face, see our safeguarding/child protection policy.

11. Expertise and training of staff

Training will regularly be provided to teaching and support staff. The headteacher and the SENCO will continuously monitor to identify any staff who have specific training needs and will incorporate this into the school's plan for continuous professional development.

12. Links with external professional agencies

The school recognises that it won't be able to meet all the needs of every pupil. Whenever necessary, the school will work with external support services such as:

- Specialist teachers or support services
- Educational psychologists
- Occupational therapists, speech and language therapists or physiotherapists
- General practitioners or paediatricians
- School nurses
- Child and adolescent mental health services (CAMHS)
- Education welfare officers
- Social services
- Local authority SEND inclusion team

13. Admission and accessibility arrangements

13.1 Admission arrangements

To apply for a place at our school, you need to do so through the Local Authority where you live – for most of our parents this is Essex Council. They operate what is known as the Local Authority CoOrdinated Admission arrangements. All applications for first admission must be received by your home LA by the closing date. The home LA will make a single offer of a place.

Children with an Education and Health Plan which names our school: please note that If the EHCP for your child names this school, then the child must be admitted, regardless of whether it is potentially oversubscribed. Admission of children with an EHCP is dealt with by your home Local Authority (LA), that is to say the LA for the area where you live.

If the School has more applicants than it has places available, it is said to be Oversubscribed. When that happens, places are offered in a set order, against the following criteria, until no more places

The Diocese of Chelmsford Vine Schools Trust is a company limited by guarantee. Registered in England No 8709542. Registered Office 53, New Street Chelmsford CM1 1AT

are left. If there are very many applicants, this can mean that all places are allocated to the first few categories.

Category 1: Looked After Children, Previously Looked After Children or Children Internationally Adopted After Public Care

After children with an EHCP Plan naming our school, our first oversubscription criterion must always be Looked After, Previously Looked After and Internationally Adopted Previously Looked After Children, as this is a legal requirement.

i. A “Looked After Child” (LAC) s a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

ii. A "Previously Looked After Child" (PLAC) is a child who was looked after but ceased to be so because they were adopted or became subject to a child arrangement order or special guardianship order immediately following having been looked after.

iii. An "Internationally Adopted Previously Looked After Child (IAPLAC) is a child who appears (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

Category 5: Children with Exceptional Medical or Social Needs

(i) Medical need means where written evidence has been provided from a senior clinical medical officer or the child’s general practitioner / specialist showing that the child’s condition would make it detrimental to the child’s health not to admit him/her to the School. This may include written evidence where the parent has a medical need and/or disability which would make it detrimental for the child to attend a different school; this may be supported by evidence of the child as a young carer. Evidence to be relied upon must be submitted with the Supplementary Information Form and sent to the School.

(ii) Social Need means where the child is of confirmed refugee status. Written evidence of this from the home LA must be submitted with the Supplemental Information Form and sent to the School.

13.2 Accessibility arrangements

Within the school’s accessibility plan we have identified evidence already in the school setting of equality within policies and practice and identified gaps. We have examined how our school engages with the protected groups, identifying where practice could be improved. We have analysed our effectiveness in terms of equality. From this we have then constructed an Accessibility Plan aimed at increasing the extent to which disabled pupils can participate in the school’s curriculum which includes improvements to the physical environment.

14. Complaints about SEND provision

Where parents/carers have concerns about our school’s SEND provision, they should first raise their concerns informally with the class teacher or SENCO. We will try to resolve the complaint informally in the first instance. If this does not resolve their concerns, parents are welcome to submit their complaint formally.
Formal complaints about SEND provision in our school should be made to the head of school or chief executive headteacher in the first instance. They will be handled in line with the school’s complaints policy.

The Diocese of Chelmsford Vine Schools Trust is a company limited by guarantee. Registered in England No 8709542. Registered Office 53, New Street Chelmsford CM1 1AT

If the parent or carer is not satisfied with the school's response, they can escalate the complaint. In some circumstances, this right also applies to the pupil themselves.
To see a full explanation of suitable avenues for complaint, see pages 246 and 247 of the SEN Code of Practice.

15. Monitoring and evaluation arrangements

15.1 Evaluating the effectiveness of the policy

We are constantly looking for ways to improve our SEND policy. We will do this by evaluating whether or not we are meeting our objectives set out in section 1.

We will evaluate how effective our SEND provision is with regards to:

- All staff's awareness of pupils with SEND at the start of the autumn term
- How early pupils are identified as having SEND
- Pupils' progress and attainment once they have been identified as having SEND
- Whether pupils with SEND feel safe, valued and included in the school community
- Comments and feedback from pupils and their parents/carers

15.2 Monitoring the policy

This policy will be reviewed by the Assistant CEO every year. It will also be updated when any new legislation, requirements or changes in procedure occur during the year.
It will be approved by the full governing board.

16. Links with other policies and documents

This policy links to the following documents:
